About Aseanis

Delighting global consumers with the richness of Southeast Asian Cuisine since 1993.

Established in 1993, Aseanis has been dedicated to delivering **delicious, authentic Southeast Asian flavors across the globe**. We manufacture and supply an extensive range of pastry snacks, including **spring roll pastry, puffs & pies, bakery items & fillings, golden balls, fritters, buns & dim sum**, as well as a wide range of **ready-to-eat Asian meals** designed to meet the diverse needs of the foodservice industry.

We supply locally in **Malaysia** and export globally to countries like **Germany, Japan, Australia, Austria, Singapore, the Philippines, Canada, Taiwan, China**, and beyond food service and retailers.

Purpose of the Aseanis Brand

Through our brand “aseanis”, we desire to bring diverse culinary experiences and stories to enrich the minds of people all over the world so they will have deeper appreciation of our way of life and share our joy.

Our Vision

To share **delicious and authentic** Southeast Asian flavors with the world, ensuring high quality and food safety standard.

Our Mission

To be a strong and reliable partner for the food service industry, offering convenient and high-quality solutions.

To continuously innovate our pastry snacks through our in-house R&D team, actively conducting flavor research to bring delight to customers worldwide.

Food Safety & Quality Management System

We serve what we love.

We serve the food we love which we serve to our families, our shareholder's families and our employee's families. We are totally committed to ensure that our products are safe, legal and wholesome for consumption, complying with ISO22000 International Standard, HACCP and HALAL JAKIM.

We love whom we serve.

We are dedicated to customer satisfaction by providing quality products in timely manner through teamwork and commitment to continual improvement.

We love and respect diversity.

We respect each other's religions, following the procedures of Halal production. We separate and disinfect utensils when producing vegetarian products. We care for our community and we promote culture of giving to the ones in need.
